Good Morning R10 EPA Staff, Ecology, USACE, and Suquamish, Muckleshoot Tribal Stakeholders,

UPDATE: First and foremost, I apologize if you are receiving the Outlook calendar invite for the 2<sup>nd</sup> time. I am trying to assist my colleague Sarah Felton to determine who accepted/declined the calendar invite while she is out of the office until May 19<sup>th</sup>. Unfortunately, I do not have full access view of my colleague's calendar to determine who already accepted or declined the meeting. I am trying to poll the invitee list of there are any conflict(s) with your respective schedule.

Please kindly accept and/or decline the same calendar invite date/time for Friday, May 21, 2021. With your reply, it will give me an idea if the meeting is confirmed or I may need to reschedule.

NOTE: For your info, the MS Teams call-in information has not changed.

Thank you very much,

Respectfully,  
Al Alday
